Kaloor, KOCHI

Learning a language is about building social bridges. English is one of the most influential languages and is the most commonly spoken language with as many as 53 English speaking countries in the world classifying it as their official language.

English is the dominant language in industries such as Education, Media, Aviation, Finance, Manufacturing, Tourism, Hospitality, Healthcare, etc. and it is the language of choice for business communication, especially in today's interconnected, globalized marketplace.

Make sure you can express yourself in English when you are out and about.

So, whether you want to learn English to further your career, find a good job, or improve your skills for academic excellence, there are many benefits you can gain from learning the language in the right way. Enroll today!

## **What we offer...**
